Aaron,

Wanted to give you an update on all the taggings. I went and rechecked the areas that got tagged and found the spray can that was used for most of it, I will be checking with PD to see if they want it. Also got online and found an Instagram page for the group of taggers. Their group name is UCR which stands for urcitiesruthless. If you look at their page you can see the purple building that they tagged. That building is located directly behind 5152 Lankershim (Nappy Tabs).

I will be taking all of this information to PD on Tuesday for the Crime Control meeting.

Brian
